## Rust Endorses Husch for Herndon Town Council

Dear Town Voter:

There are few things more important than your participation in the upcoming election of the Town Council to be held on May 6, 2008. I write today in enthusiastic support of Council Member Dennis Husch for re-election.

As you know, Herndon holds a special place in my heart. It is where I have lived, raised a family and served as a member of the Herndon Town Council as well as Mayor. I am proud to now serve you in the Virginia General Assembly.

I know how much work is required to be a member of the Town Council. I served with Dennis on the Herndon Town Council when I was Mayor. He was always fully prepared to address any issues which came up for review. He understood the issues, was ready to ask the tough questions, and offered solid, constructive solutions to difficult issues.

In recent years, Dennis has been instrumental in reducing overcrowding in our neighborhoods in Herndon. I was proud to have collaborated with him and other Town leaders to enact tougher penalties for overcrowding. These actions have resulted in a decline in neighborhood blight which is a direct result of overcrowding

Join me on May 6, 2008 in casting a vote for Dennis Husch. Voting will be held at the Herndon Community center from 6am until 7pm.

Sincerely,

Thomas Davis Rust  
Delegate 86<sup>th</sup> District  
Virginia General Assembly
